Quantum Nutrition Seminar

The Quantum Testing System raises the bar of excellence!

Learn how to define core issues and treat dental problems more effectively.

You Will Learn:

- Why the Quantum Testing System is the most accurate system available
- How to test the dental complex for viral, bacterial, fungal and other infections
- Which supplements work better than antibiotics, anti-inflammatories, and analgesics
- An innovative indicator to guide supplement selection, dosage, and sequencing
- How to resolve acute and chronic pain quickly and easily without drugs
- How to quickly assess your patient's dietary needs
- How to support regeneration of muscles, ligaments and bone

Quantum Nutritional Testing Program:

Dr. Smith's 42 plus years of clinical practice provides the basis for integrating a combination of vibrational testing methods inaddition to his own discoveries to formulate this program. Dr. Smith's comprehensive testing concepts enables practitioners to quickly and accurately define the underlying causes, select energetically combatible natural remedies which are given at an optimal dose in a clinically proven sequence that achieves maximum results. Dr. Smith's energetic testing appropach eliminates the guess work and confusion surrounding how to resolve patient's symptoms. This workshop will enable participants to quickly learn how to perform the testing and immediatley implement the program on Monday morning.

What The Experts Are Saying:

"Dr. Smith has spent his life refining difficult treatment modalities down to easily understood, easily taught concepts. From my own years of study, I can truthfully say that I am in awe of the incredible amount of information I brought home from his workshop. Dr. Smith is dead on in diagnostic approach and treatment delivery."

Mark Warden, DDS

Specializing in Integrative Dentistry

What The Experts Are Saying:

I was meant to take this course. His teaching has made a significant contribution to the positive outcome of my wife's illness.

I have taken many, many courses over the years, and I would rank Dr. Smith's courses as one of the most life changing teaching ever. And I don't get impressed easily.

Dr. Smith's Quantum Nutrition Technique is an excellent resource to effectively tackle a wide range of no solution health issues.

He has excellent clinical and practical understanding know how to integrate mind, body and nutrition to achieve ultimate health.

Overall, Dr. G. Smith has helped me create great value for my patients.

Dr. Paul I Moon,

Toronto, Canada

What The Experts Are Saying:

"A horizon expanding program which will greatly improve your diagnostic skills as a dental physician, expand your consciousness and impress your patients! Personally, it was a profound experience and I highly recommend everyone take advantage of Dr. Smith's encyclopedic knowledge of the subtle connections between oral health and total body health. I did, to the benefit of all my patients, family and friends!"

Dr. Bobby Bhakri Mississauga, Ontario

About Dr. Gerald H. Smith

Doctor Smith is a recognized international authority on craniomandibular somatic disorders with a focus on resolving chronic pain. He is the author of numerous articles on nutrition and two landmark textbooks for professionals, Cranial Dental Sacral Complex and Dental Orthogonal Radiographic Analysis. He has contributed equally important books: Headaches Aren't Forever, Reversing Cancer, and Alternative Treatments For Conquering Chronic Pain. The latter is one of the first books integrating osteopathic, chiropractic, dental, medical, physical therapy, and nutritional concepts. Doctor Smith's forty-two plus years of clinical research has uncovered several of the major missing links that focus on the dental whole body connection regarding the treatment of cancer, chronic pain, and somatic structural instability. Doctor Smith has lectured internationally on nutrition and its benefits in resolving TMD and chronic pain. He is past-president and editor of the Holistic Dental Association, past president of the Pennsylvania Craniomandibular Society, and recently awarded the prestigious international Spectrum and Statuette awards. He has a specialty practice in craniodontics, chronic pain, and nutrition in Langhorne, PA and Toronto, ON.
